MASCA 2016-17 Student Council of the Year Nomination

Minnesota Association of Student Council Advisors (MASCA)

This award was developed by MASCA to acknowledge and recognize those individual students councils that have had an outstanding year. The criteria for this award is different from the MASC award in that it is based solely on what a council has done this year in the school and in the community. It does not require participation in division, state or national activities. PLEASE NOTE THAT THIS AWARD IS NOT DETERMINED ON THE BASIS OF POINTS AND THAT ANY COUNCIL THAT HAS HAD A SUCCESSFUL YEAR MAY APPLY AND BE SELECTED; WE DO NOT LIMIT THE NUMBER OF AWARDS. Award(s) will be presented at the MAHS/MASC State Leadership Convention banquet in April.

Criteria

The following must be included in the order listed:

- This application form.
- A letter of support from an administrator within your building.
- A letter of support from your student council advisor.
- A letter of support from a teacher.
- A letter from your student council president endorsing your council.
- Important! You must enclose a description of student council activities from this school year (approximately from the time of the 2016 State Leadership Convention to the time of this application). This could include social events, service projects, community service, school spirit projects, and any other activities in which our council was involved. This description should be detailed enough to describe the activity, not simply a listing.

Other Criteria

- Your student council must be registered for the 2017 State Leadership Convention.
- Your student council and advisor must be a member in good standing with the MASC and MASCA.
- Your student council may apply for either the MASC (see MASC application) or MASCA award **but not for both**.
- Your application must meet **ALL** of the above requirements or be disqualified.
