Leadership Forum/Advisors' Workshop November 6 and 7, 2022 Cragun's Resort, Brainerd, MN

The 2022 MAHS/MASC Leadership Forum and Advisors' Workshop is set for Sunday/Monday on November 6th and 7th. The Forum is for your student council, honor society, and other student leaders at your school. You can bring **any** number of students that you/other adult feel comfortable supervising. Your students play a vital role in creating a positive school climate. This has never been more true with the challenges that schools are facing today. This year we are excited to have two outstanding keynote/workshop presenters. Terry D'Imperio, 2021 national advisor of the year, will be presenting workshops to both students and advisors. Angie Charboneau-Folch, MASSP Coordinator, is an accomplished and dynamic speaker on educational issues. Angie will bring her experiences in educational leadership to both advisors and students.

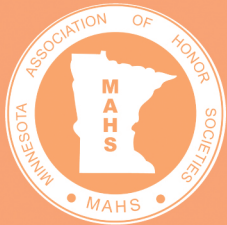

Advisors will also have an opportunity to be part of an idea exchange. The idea exchange will be specific to student council and honor society advisors. CEU hours will be emailed to the attending advisors.

The Forum moved to a new time framework based on advisor/student feedback. I was pleasantly surprised by the 400 plus students and advisors who attended the 2021 Forum. My hope is we will have the 600 plus attendance of the 2019 Forum. The Forum will end at 11:00 am to allow schools to return to their communities in time for afternoon activities.

Please consider continuing this fall tradition. Cragun's Resort is an ideal venue for the Forum. The room reservation link is (https://craguns.formstack.com/forms/mahs_masc_leadership_2022). **Schools are responsible for making their own housing reservations. Our rates are not guaranteed after the reservation deadline of October 14th.** A number of schools took advantage of the limited number of large, multi-room cabins with kitchens and meeting spaces.

Have a great start to the 2022-2023 school year. Please join MASC and MAHS. If I can help with your council or chapter in any way, give me a call at 763-232-2501 or send me an email. I have visited a couple schools already, so that is also an option. I am looking forward to connecting with the advisors and students from across Minnesota

Doug Erickson,
Coordinator of Student Activities
