2016 Leadership Forum November 6 and 7, 2016 Bigwood Event Center, Fergus Falls, MN

The 2016 MAHS/MASC Leadership Forum is set for Sunday/Monday on November 6th and 7th. This forum is for your student council, honor society, and other school leaders. You can bring up to 16 students per advisor. Your students play a vital role in creating a positive atmosphere at your school. This is an opportunity for your leaders to get training and skills to use throughout the upcoming school year and beyond. They will have the chance to network with other school leaders, get new ideas, compare challenges and get motivated. We are pleased to have **Nate Eklund** and **Tex Ostvig** as our leadership consultants for the forum.

The cost per student is \$50.00

We are starting the forum on Sunday evening with registration at 6:00 pm. At 7:00 pm the students will gather in the Kempfer/Adams room in the Bigwood Event Center. During the next hour and a half the students will be engaged in activities that will allow them meet students from across the State of Minnesota. Honor Society and Student Council members will meet and discuss their best practices from their school. Student leaders will also be examining some of the biggest issues that face our schools today. At the end of the session, the MAHS/MASC leadership will have statements that will be forwarded to educational and political leaders in Minnesota. From 9:00 pm. to 10:30 pm. students may attend a dance in the Bigwood Event Center restaurant or take advantage of the Bigwood Event Center's recreational facilities. The forum will restart at 9:00 am on Monday morning. The forum will conclude at 1:45 pm. The breakfast buffet is included for advisor and students staying at the Bigwood Event Center. Room reservation form is available on the MAHS/MASC website (www.masc-mahs.org.)

Schools are responsible for making their own room reservation.

Last year nearly 400 students and advisors attended the Leadership Forum. We hope you will become part of this MAHS/MASC fall tradition.

Doug Erickson,
Coordinator of Student Activities
